**11 a.m. to 4 p.m.**

Please join us for the **2018 Annual Clan Donnachaidh Family Picnic**—a great way to meet, greet and eat with other members of your Clan! **The Clan will provide ribs and chicken and a delicious array of side dishes for all!** There will be lots of good food and fun in the sun at one of the best beaches in all of Southern California!

As a result of ramped up security at Camp Pendleton, you will need to provide **full names, driver's license info and DOBs for all adults attending to Chuck Ables at [charleska@sbcglobal.net](mailto:charleska@sbcglobal.net) or 760/720-1054 by 8/27/18.** This list will be provided to the guards at the main gate. **Be prepared to present photo ID for all listed guests.** Tell the guards that you are going to the Scottish-American picnic at Del Mar Beach. They will be able to provide you with any additional information or changes.

After security, take the **loop road to the right** which will get you onto Wire Mountain Road **turning left**. The road goes over the freeway and the railroad tracks, and then runs parallel to the railroad tracks for several blocks. You'll pass a fire station, several buildings, and then **turn left at 12th Street**. There is a green sign for Del Mar Beach with an arrow pointing to the left. Go **straight on 12th Street to the beach**. Our picnic spot will be visible by flags and our Clan Donnachaidh banner. **See you there!**
